**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In the past my internet connection was with cable through Comcast.
Now I have a fiber optic connection and am most happy. Please do not take this away from SONIC
and me. I support broadband competition. Although I have no formal business I use the internet for
my banking and much of my personal shopping. I am elderly and depend on the internet for
personal connections as well as education and social.
